April 2023

Dear Friends

By the grace of God and the collective efforts of our industry, I am delighted to announce that we have just witnessed a historic year, one that will be remembered as a milestone in the annals of our association. The year 2022/23 has undoubtedly marked the zenith of our industry's success, standing as a testament to our hard work, innovation, and perseverance.

The past year has been nothing short of spectacular. Our industry has flourished beyond expectations, achieving unprecedented heights in terms of business growth and opportunities. The demand for events and entertainment has been so overwhelming that many of us found ourselves with both hands full, a situation that's as delightful as it is challenging. It is truly heartening to witness such a surge in interest and trust from our clients and partners.

Furthermore, I am thrilled to remind you all that EEMAGINE 2023 is just around the corner. This year, our much-anticipated event will take place in the vibrant city of Mumbai this August. EEMAGINE has always been a time of learning, networking, and celebration for our community. It's an opportunity for us to come together, share insights, forge new partnerships, and celebrate the spirit of our industry. I eagerly await the chance to catch up with all of you at this inspiring event.

In conclusion, let us cherish the successes of the past year and carry them forward as we embark on new ventures. Our industry's potential is limitless, and together, we shall continue to achieve greatness. Here's to a prosperous and exciting year ahead!

The future is not something we enter. The future is something we create.

EVENT info

EEMA ARTISTS COMMITTEE 2023-25: (Virtual Event) 11th March 2023

We were thrilled to introduce the EEMA Artists Committee Virtual, a dynamic platform dedicated to fostering collaboration and promoting the interests of artists within the Event and Entertainment Management Association (EEMA). This committee brought together a diverse group of talented artists, including musicians, performers, dancers, and more, to share their expertise, exchange ideas, and drive innovation in the industry.

Through virtual meetings, webinars, and interactive discussions, the EEMA Artists Committee Virtual provided a supportive environment for artists to showcase their talents, learn from industry experts, and collaborate on projects. This committee served as a valuable resource for artists, offering networking opportunities, professional development resources, and advocacy for their rights and interests. Many joined the EEMA Artists Committee Virtual and became part of a vibrant community dedicated to elevating the artistry and creativity in the event industry.

5th NEC Meeting: 17th March 2023

EEMA Constitution shared:

15th March 2023

The EEMA Constitution was shared to provide a comprehensive framework for the Event and Entertainment Management Association (EEMA). This document outlined the fundamental principles, objectives, and governance structure of the association. It served as a guiding document that established the rights, responsibilities, and code of conduct for EEMA members. The Constitution defined the membership criteria, the roles and responsibilities of the Executive Committee, and the process for decision-making and amendment.

By sharing the EEMA Constitution, the association aimed to promote transparency, accountability, and professionalism within the event industry. This document ensured that EEMA operated in a fair, inclusive, and consistent manner, providing a solid foundation for the growth and development of the association and its members.

The 5th NEC (National Executive Committee) Meeting of the Event and Entertainment Management Association (EEMA) was an important gathering that brought together key stakeholders and leaders in the event industry. This meeting served as a platform for productive discussions, strategic planning, and decision-making to drive the growth and development of the association. Attendees could expect engaging presentations, insightful debates, and collaborative sessions on various topics relevant to the industry.

The 5th NEC Meeting was an opportunity for industry professionals to contribute their ideas, share best practices, and shape the direction of EEMA. By fostering unity and cooperation, this meeting aimed to strengthen the event industry and create a favourable environment for all stakeholders.

Our imagination is the only limit to what we can hope to have in the future.

EVENT info

EEMA West Meet: 17th March 2023

EEMA West Meet was an exciting gathering that brought together event professionals, industry leaders, and creative minds from the western region. This event served as a platform for networking, collaboration, and knowledge sharing within the event industry. Attendees could expect engaging panel discussions, interactive workshops, and inspiring keynote speeches delivered by renowned experts. EEMA West Meet provided a valuable opportunity to stay updated on the latest trends, exchange ideas, and build meaningful connections.

With a focus on innovation and excellence, this event empowered participants to enhance their event planning and execution skills while fostering growth and success in the western region's event industry.

Our imagination is the only limit to what we can hope to have in the future.

Presenters meet at Bhubaneswar:

31 March 2023

The Presenters Meet at Bhubaneswar, organized by the Event and Entertainment Management Association (EEMA), was an informative and engaging event that celebrated the art of effective communication and storytelling. This session brought together talented presenters from diverse backgrounds to connect, learn, and showcase their skills. Participants had the opportunity to engage in keynote speeches, interactive workshops, and panel discussions led by industry experts.

The Presenters Meet at Bhubaneswar also provided a platform for participants to showcase their unique storytelling abilities through presentations and performances. With networking opportunities and a focus on continuous learning, this event empowered individuals to enhance their presentation skills and make a lasting impact as compelling presenters. It served as a catalyst for growth and collaboration within the event industry in Bhubaneswar and beyond.

WE CARE LOGO Launch: 14th April 2023

EEMA (Event and Entertainment Management Association) proudly announced the launch of the WE CARE LOGO, a symbol of the industry's commitment to safety, sustainability, and responsible event management. The WE CARE LOGO initiative aimed to create awareness and promote best practices in event planning and execution. The logo represented the collective effort of EEMA and its members to prioritize the well-being of attendees, the environment, and the communities in which events take place.

By adopting the WE CARE LOGO, event organizers demonstrated their dedication to delivering exceptional experiences while minimizing their ecological footprint and ensuring the safety and security of all stakeholders. The launch of the WE CARE LOGO marked an important milestone in the event industry, showcasing its commitment to responsible and sustainable practices.

EVENT info

COREA MEET: 20 Regional and one International attended

17th April 2023

The COREA Meet, organized by the Event and Entertainment Management Association (EEMA), brought together 20 regional representatives and one international attendee for a highly productive and insightful gathering. This exclusive meeting provided a platform for industry professionals to discuss key challenges, share best practices, and collaborate on initiatives to advance the event industry. The COREA Meet facilitated engaging discussions on topics such as event safety, sustainability, technological advancements, and industry trends. The diverse representation from various regions and the international attendee enriched the conversations, fostering cross-cultural learning and global perspectives.

The COREA Meet was a testament to EEMA's commitment to promoting collaboration and driving excellence in the event industry, paving the way for future growth and innovation.
