

Dear Member,

A very warm welcome to EEMA, the first and only national association of its kind in India, that brings together all stakeholders in the events and experiential marketing space. We are sure we can together accomplish new milestones, driving EEMA to the higher echelons.

As you are aware, EEMA actively engages with government, industry bodies, and other stakeholders to promote the interests of the experiential industry. In the past year we have successfully delivered value to our members through policy advocacy; forging partnerships; education & upskilling; strengthening industry connections and ensuring a safe & equitable work environment.

We are committed to providing our members with the support & concessions they need from time to time & hope that you accept this EEMA MEMBERSHIP KIT as a promise to work together and achieve our shared goals.

Thank you for believing in EEMA.

Sincerely Yours

The NEC TEAM
